FOREIGN AFFAIRS SECURITY TRAINING CENTER PROJECT - DRAFT ENVIRONMENTAL ASSESSMENT TO BE ISSUED IN LATE SPRING 2010

The U. S. General Services Administration (GSA) and the U.S. Department of State (DOS) anticipate the draft Environmental Assessment (EA) will be available later this Spring. Adverse weather conditions, along with the significant number of comments are among the many factors that have impacted the release date of the draft EA. We are compiling the results from numerous studies, addressing the significant number of incoming comments, and finalizing the analysis. Once completed, the draft EA will be made available to the public. For updates, please visit the project website at: **http: www.state.gov/recovery/fastc.**

Thank you for your participation and continued interest in the project.
